

PLEASE THROW US A

CHIKUU BIRTHDAY PARTY!

WE ALL LOVE CHIKU SHAKE :))))

HAPPY BIRTHDAY DAAAAAA

You are one of the sweetest friends I have.

The one person I love irritating the most has to be you.

But guess what da, you kinda used my "Ok" trick on me only, and it annoys meeee. You are this really cute idjit with whom I feel really comfortable sharing a lot of things. I just love how humble and down to earth you are, I don't wanna appreciate, but today is an exception so umm.

You are a weird combination of maturity and irresponsibility, and I'm not sure who is more irresponsible between the two of us.

Stay the same da, if you change no one I ll give on your face.

And also, I have no clue why it burns so much when you hit on the back.

Ok enough attention bye FATTY.
